The United Association & Local 821

Local 821 is the only sprinkler fitters union in the state of Florida. We hold jurisdiction over the entire state from the panhandle to the keys. Sprinkler Fitters Local 821 is a local union of The United Association of Journeymen and Apprentices of the Plumbing and Pipe Fitting Industry of the United States and Canada or "UA" as it is commonly known is a multi-craft union whose members are engaged in the fabrication, installation and servicing of piping systems. There are approximately 326,000 highly-skilled United Association members who belong to 321 individual local unions across North America. Founded in 1889, the United Association is one of the most respected and influential building trades unions in the US and Canada today.

Training

Local 821 members receive the best training available in the industry. The apprenticeship program lasts five years and consists of on-the-job, hands-on training at real job sites. This is also supplemented by standard classroom instruction at one of our four statewide training facilities. All of the instructors in our training program attend annual instructor training courses to be sure that we are giving our members the most up to date information and skills that are needed to perform their jobs at the highest standards.
